I ask that all altars, demonic protection and demonic covering will be broken down and that Yeshua's Blood will cover it all and I declare it broken over us and for a 1000 generations. I plead the blood of Yeshua over our silver cord and that nothing in us will astral project and ask for Your Warring angels to protect us in Yeshua's Name.

Every incident that happened in our forefather's lives, myself, my spouse my seed's life that opened any doors, I now close those doors and gates, even if death or hell was opened and I close all portals with the Blood of the Lamb. I overthrow all the altars of witchcraft, divination and sorcery raised up in our bloodline against our lives and destiny. Lord I ask forgiveness for breaking Your timeline in our lives, and I ask that You Will restore all of our time in our timeline. Father I ask that You would unplug and disconnect our timeline from humans, land, curses, devices, demons and any demonic time and anything not mentioned but applicable in all TSD. Lord I ask that You would restore our timeline and our spiritual structures so that our time will no longer be out of Your will and Your time. Please will You remove from our timeline the things that is not supposed to be there. Will you please reset our timeline from the beginning to our death, as You created it to be. Give us the timeline You want us to have on our destiny and calling.

Will you please restore our timeline to its original design, and realign it with Your divine time. I bring our soul, spirit and body into Your divine time. Align us with Your seasons, agenda, and with Your placements in life for us. For it is Your wisdom that placed us in this time. You created me for such a time as this as in Esther 4:14. "And who knows but that you have come to the kingdom for such a time as this and for this very occasion". Psalm 139:13-14 "For You created my inmost being: You knit me together in my mother's womb. I praise You because I am fearfully and wonderfully made; Your works are wonderful, I know that full well." Lord I ask that You would fix our structures, fill in the holes, put the fabric of our time back together, restore the resources of time to us.

I anchor our conception, birth, our lives, our calling and destiny, anything in between and our death into ABBA's divine time, and I ask that we will have living water coming out of us. I ask that all the curses of other people spoken over our time and life will be erased and turned into a blessing. I ask that any words, thoughts or curses, I have spoken over other people to be erased through the Blood of the Lamb and bless them. Teach me to love those around me as You love them. I ask that Your Light will shine on us. I ask that Your wisdom, mercy and love will be one of the resources that we receive every day, and that we will be Your hands and feet, In Yeshua's Name.

Father, please cleanse and sanctify this time of its defilement from the past and present time, with the Blood of Yeshua and disconnect our spiritual structures from the past, past events, places, people and activities and connect and ground them and all that is within us into Yeshua the Messiah. I take this day out of the satanic system in all that we do and I give it to You Father. I anchor this day into Your time and Your will. Help us to walk in Your time and not in the worldly system. Teach us to be in Your timing, for You are El Olam, the Creator of all time, in Yeshua's Name.

Father, I decree and declare that all parts of us still in captivity or in places in the past due to trauma or those still bound in past time, will be loosened by the Blood of Yeshua. I ask You to deal with the demonic around them, break the seals, protection, coverings, frames, rules, walls, curses, covenants, altars and remove and bind the familiar spirit and the programming and anything not mentioned but applicable. Bind up our broken heartedness.

Place Your Glory and Your Light on upon all our darkness and expose the deception in our belief system. May Your truth set all parts free. I declare and decree that all parts align with present time, now consciousness in Yeshua's Name.

I take all cleansing done today into one package, and I ask You Yeshua to cleanse all the legal blood line and spiritual line with the Blood of the Lamb from the beginning of time and I bring the cleansing forward into present time for 1000 generation. I extend this cleansing to myself, my spouse, physical and spiritual children for 1000 generations, breaking of all sins, transgressions and iniquities in Yeshua's name.

I take the keys of the Kingdom of Yeshua and I open the Kingdom now over this day and time in all past times in all TSD, and I loose and call all the generational blessings that were held captive because of our sins, transgressions, and iniquity into present time. I lose the mantels, inheritance, authorities, keys, blessings, resources, finances, portions, birthrights, favor, honor, enlargements, fruitfulness, possessions, and anything else which was purposed for our bloodline by YHVH and I align it with this day and time in Yeshua's Name. I repent for all of us in these bloodlines who rejected these and chose comfort above Your high and holy calling, destiny and birthright. Lord I ask You to send Your Warring angels to fight for us with Ruach in all TSD.

I now declare this day will be blessed. For it is the day the Lord has made and we and everything in us will rejoice in it and be glad in it. As in Hosea 10; 12 "I will come and shower My blessings on you" I declare that this will be our birthright today. I declare the assignments of satan rendered powerless and cancelled over this day, in Yeshua's Name. The sun will not strike us and the moon will not smite us in Yeshua's Name, but it will pour forth the praises of the Lord over us and all that pertains in us and is associated with us. It is better for us to be in Your presence today Lord, than to be a 1000 days elsewhere. Your will, will be done, Your Kingdom will come today on earth as it is in heaven. The government of Yeshua will increase this day in our lives. May Your peace rain over us, may the joy of the Lord flow out of us, and may Your fire be in us for all the days of our lives, for me and my household will serve the LORD!

Lord, please be a wall of fire around us and the glory around our midis as in Zechariah 2:5. Surely goodness, mercy and the unfailing love will follow us all the days of our lives and through the length of our days shall we dwell in the presence and the house of the LORD. YHVH, I ask that we will be able to eat from Your tree that brings healing as in Ezekiel 47:12 and in Revelation 22:2 "And in the center of the street on this side and on that, upon the river. The Tree of Life which produces 12 fruits, and every month it gives its fruits and its leaves for the healing of the peoples."

Lord, please bless Israel and let there be peace in Jerusalem.

YHVH, I ask that you will also bless my enemy's and bless this land that You gave us.

ABBA Father, I ask that You will send Your Spirit into every part of me, my spouse, my seed and our minds so that we will come in to Your Light and have life, and life in abundance.

I send this cleansing and this blessing now into future time in all TSD till the day of Yeshua's second coming.

I seal this prayer, our life, our marriage, our timeline and our destiny with the Blood of the Lamb.

I anchor it into the Kingdom of YHWH and I declare it in the heavens, in Yeshua's Name.

AMEN
