

Cleansing of my seed.

Lord YHVH, I take full responsibility of all the darkness and hurt of myself and my seed and our DNA in TSD. Please put Your Light on it and cover it with the Blood of Yeshua. Lord please forgive me and my forefathers for all our sin we did to You and to one another. Lord please forgive us for all the lies, and brokenness, unforgiveness and _____; please replace it with Your Truth in Yeshua's Name.

I will not allow my seed to be traded. Lord please sanctify all my seed and myself as in Thessalonians 5:23 and with the Blood of the Lamb. Because in Hebrews 13:12 it says that Yeshua suffered outside the gate in order to sanctify all people [and my seed] through His own Blood.

I bless myself, _____, my seed and all my future seed with understanding the treasure of covenant through Yeshua's sacrifice, the power of the word of testimony and fearlessness of death. I bless the time that is to come and call it holy. I ask for time-released blessings to be placed within me, _____ and my seed.

Abba Father, I ask that You will sanctify me, _____ and my seed today in Your Truth as in John 17:17. I pray Your Glory Light as in Psalms 44:1-8 in all our walls, to our foundation, in every layer of us, even our DNA. I ask that Your Light and Your Truth will bring out all the lies and that all the wounds will be covered with the Blood of the Lamb, and that Your Truth will set it all free as in Romans 8:21.

Lord, I turn all of our gates to You now, please will You wash our gates with the Blood of the Lamb and burn it with Your Holy Fire, and Holy Spirit I ask that You will be the gate keeper, bind up all the mesmerizing, laying and mad spirits, rebellion and trauma spirits, and let us only hear Your Truth and Your Spirit today. Lord please seal of all our trauma gates with the Blood of the Lamb and I ask You Holy Spirit to take control of all our trauma, pain, and darkness now. I now seal off all escape doors with the Blood of the Lamb, so that we cannot escape into different worlds like our pain, work, food, TV, games, anger, alcohol, drugs, gambling, hate, sleep _____, but that we can run into Abba's loving arms, and that all will stay in now concessions.

Lord, please open our spirit mind to see, hear and understand what You want us to see, hear and understand. Set Your truth in our spirits as in Psalm 25:5. Lord please help us to renew our minds and help us to take every thought captive as in 2 Corinthians 10:5. Lord please put Your Truth and Glory Light in our spirit man, and help us to be a holy sacrifice unto You as in 1 Peter 2:5. Lord please help us to surrender ourselves unto You and Your will. Let Your Live and Truth come out of us, and not religion. Lord let all that we do today come out of Your Spirit and Truth as in Exodus 35:31 and not worldly knowledge.

Lord, help us to love what You love and hate what You hate. Give us compassion for those around us and give us a new hart as in Psalm 51. Abba Father, Yeshua and Holy Spirit, I ask You to take control over us. I invite You into every decision that we have to make today, even our unseen decisions. Help us to measure it according to Your Word and guide us in all that we do today.

Reveal Your hidden manna for us today. Let us bring Glory and Honour only to You my King and help us not to take some for ourselves. Help us to be humble as in Colossians 3:23 and Ephesians 6:7. Help us to be in line with Your Word. Lord help us so that we can lean on, rely on and put our trust in You and not ourselves or people.

I seal this prayer and our lives with the Blood of the Lamb and I pray all this in Yeshua's Name. AMEN.
