

PRAYER AGAINST SATANIC HIGH DAY

In the Name of Yeshua Hamashiach, I come Father to your throne of mercy and grace. I declare that you are the God of Abraham, Isaac and Jacob and that you are everlasting God. A Covenant keeping God. It is on this grounds that I am in covenant with YHWH Elohim through the Blood of the Lamb. I come and bring my petition to You tonight. Lord I come in prayer and behalf of myself, my spouse, my house, my Father's house, my bloodline and my seed and all I represent in the spirit. My whole humanity, our timeline, our destiny and everything that you gave us Lord in all time, space and dimension (TSD). I asked that You will have mercy upon us and cover us with the precious Blood of the Lamb. Lord I asked that You will put Your Fire around us and that You will be the Glory in our midst.

Lord we worship You because You are the only true living God. The Creator of heaven and earth and therefore we can bring our lives as a Holy Sacrifice unto You. Lord I ask that everything that is not of You that is within us, that You will come and burn it with Your Fire. I ask that every word that we pray tonight, that it will stand in your council of truth. It will be written into the heavens. Father, I come and stand in the gates of time before You now. And I declare to this time gates lift up your head o gates and let the King of Glory come in! Lord I come stand in this time, this day of _____ and Lord I declare that this day is the day the Lord has made, we and everything that is within us will rejoice and be glad. Lord I declared that every sacrifice that is being made today, that is not pleasing to You that You will burn it with Your Holy Fire. Lord every sacrifice that we bring to You that is not pleasing, I ask that You will have Mercy upon us and teach us how to come to Your Throne.

Lord I know that today is a satanic high day and that sacrifices are being made. Lord we come and counter petition every sacrifice with the precious Blood of Yeshua. The Lambs Blood speaks of better things than any human sacrifice or animal sacrifices that are being offered today. Lord we asked that Yeshua's Blood will be poured out on every altar that is being raised today in the spiritual realm and here on Earth. And that the Blood of Mercy and forgiveness will cover all altars. Lord we come today and we petition You for every soul that is being actively partaking in any satanic ritual tonight. Lord if they are being forced, if they are doing it willingly or unwillingly, knowingly or unknowingly. Lord we come and we asked that you will have mercy upon them, that Your love will totally surround them and that Your Truth will flood their lives. Lord we ask for every person that is active in any kind of satanic or witchcraft ritual today, and we petition for there salvation. We petition for every soul to come into the Light and into the body of the Messiah so that they will worship the King of Kings. Lord we come right now in the name of Yeshua and with the authority that we have in Yeshua, we take the keys of Your Kingdom and we bind the second

heaven and kingdom of darkness over us and we declare that everything that cannot glorify the King of Kings, Yahweh Elohim will be stripped from us right now and our whole humanity will glorify the King, Yeshua Hamashiach, Yahweh Elohim and El Shaddai. Lord we come and we bind second heaven and the kingdom of darkness over our families, over our bloodline, over our timeline and over our whole humanity. We declare that any sacrifice or ritual that is being done to counter this petition tonight, will be covered with the Blood of the Lamb, over all sacrifice and we declare that the kingdom of darkness will not be found in us. Lord we know that in this process that we are not fully in the Light yet, but we are called children of the Light. We ask Lord that Your Light will start to manifest in us more and more and You will draw us more into the Light as we walk with You. We ask You Lord, as we will be able to take this Light into the brokenness of this world, that it will reach the parts that we do not even know of and it will touch those that are broken and those who are in bondage. For You are the only One Lord that can take us out from darkness place, the pits of death and hell and bring us into Your glorious Light.

We declare Lord, that the only worship, and the only sacrifice that will stand before You, is that of holiness, purity, right standing and true worshipping of the spirit. We ask you Lord that you will come and that you will hover over us like you did in the beginning as in Genesis. Breathe new life into us Lord. We declare that we will stand firm in this fight. We also bring our nation before you and ask that this nation will turn its eyes to the Kingdom of Light and Truth, the Kingdom of YHVH. We counter petition any other petition made on behalf of our nation. We bring our parliament before You, our president and his whole cabinet. We plead the Blood over them and we ask that they will come into your Light and Truth. We ask that You will make positions open in parliament so that the body of Christ can move in and that You will make sure that Your Kingdom will be manifested in this country. We ask that You will release us from the bondage that we are in. We declare this country will only serve Yahweh Elohim and this country will take the Truth of the Word and revival in to the nations, because Lord You called South Africa to be a revival nation.. I ask Lord that You will take our cities and this land we are in and that You will blow Your breath of life again on us Lord, revive us. Lord we plead the Blood of the Lamb over every blood that is being spilled, over any sacrifice altar, because we understand that life is in the blood and the Blood of Yeshua speaks of a better life and of Mercy.

Lord we ask that You will have mercy upon us. I come tonight and I ask forgiveness that we did not understand how to fight. We did not understand how the kingdom of darkness works and how the Kingdom of Light works. Lord I ask on behave of myself and my bloodline for forgiveness that we did not come to You and ask for revelation as we did not stand on your Rema Word, but we ran into the world and hid ourselves from the fighting that we must fight. Lord I ask that You will have mercy on us for every blood that we have spilled in the natural and in the spiritual realm.

Lord I ask that Your Blood will cover the blood that we spilled. Lord take us from the place of bondage into the Your glorious Light. Lord every place in our humanity that is still not worshiping You because we are shattered, we ask that you will have mercy upon us and bring us as a whole humanity into the Light. I thank you Lord because you are the only One who can do these things in our life.

Lord I ask that You will teach us how to fight and I ask forgiveness that we did not take up our spiritual weapons that You gave us, but we passed it on to some else. Lord I ask that You will truly teach us how to fight, not for our sake Lord, but for your Kingdom which You have called us to be warriors in. I declare tonight that this bloodline will be a warrior bloodline for Your Kingdom alone and we will learn how to fight the good fight. Not just by faith Lord, but we will know how to fight in the heavens. I ask that You will give us revelation upon revelation how to do Your will. Lord I ask that any ritual and any prayer that is raised up against us tonight to counter petition anything we ask, that the Blood is already over this petition. Lord I ask that any part of us that are still called and that are being pulled into any sacrifices willingly or unwillingly, knowing or unknowingly, Lord that you will put Your Fire around us and take us away from any altars that are calling us in the spiritual in all TSD.

We ask that you will restore us and make us whole. Lord we ask forgiveness that we do part take in the rituals willingly or unwillingly. Lord help is to sacrifice anything that is not pleasing to you. Lord I ask that you will take those offerings and burn them right now. I thank you Father that you are teaching us in this hour and I ask that you will accelerate the teaching that are being done to us right now. That you will give us new fresh anointing from teachings, so that we can take Your Kingdom and be manifested in us. I thank You Lord that we can redeem this time. I ask forgiveness that we did not always redeemed this time.

Lord I ask that You will make us so hungry for You and that you will make us so thirsty for You and that You will make our feet truly follow Yeshua. Lord I ask that Your Light will come and shine the way and I ask for every part of us that is dead, that is stuck somewhere that you will breathe new life in us. I declare life over this timeline and over this bloodline and all that we represent the spirit. Thank You for new breath and we declare resurrection power in us over this bloodline and over our whole humanity and who all we represent in the spirit. Lord in all time space and dimension we ask Yeshua that You will come with Your Blood and cleanse us. We are applying the Blood right now over the doorposts of our soul and spirit and that the angle of death will pass over us in this spirit and we will not have any spiritual death in our life or physical death in our body's. Lord I bless this process of purification and sanctification we are in.

I thank you Lord that You are great and greatly to be praised. Thank you Lord that this day is the day that YHVY Elohim has made and the heavens and the earth will rejoice in You Lord. I thank

you that you are doing new things in this time. We declare that this time is a good time and it is a blessed time. Lord I ask that You will bless Israel and let there be peace in Jerusalem. Lord You are a blessing over your nation and over your people. Lord we bless everyone that is in the body of Christ and every ministry that is speaking in Truth. I ask that your Spirit will hover over them. I ask a special covering over every ministry that walks in the Light and we thank you that you will not forsake or leave us. You will not even losing your grip on us. We ask You to take us by the hand and you lead us every step of the way and I bless everybody that is associated with us and in our bloodline.

I ask that Your Kingdom will flow from us directly to all we come in contact with. We come and we stand in this gate of time and ask that every blessing that has been stolen or withheld legally or illegally, Lord that You will send your angels right now to retrieve those blessings in our bloodline and in our timeline. We declare Lord that we will walk in Your timing and not the worldly system. We will walk into your timing and not any programmed timing. We will be in your seasons and not in the worldly or programmed seasons. We declare any program over our bloodline, our timeline, our humanity or our seed will be broken right now in the name of Yeshua and we declare that we will have the mind of Christ. For Christ is our King. Thank you Lord that right now this prayer that we are praying will be released into the heavens and every place that we stated incorrectly, we ask Yeshua that you will come and state it correctly. Any place that we didn't cover, I ask that You will come with Your Spirit and show us where we should still fight and apply the Blood and go with the sword of the Spirit and break the chains of bondage. Lord I ask that You will prepare Your army in this end time and I ask that You will prepare Your bride. Lord I call forth the things that are not as if there are and I call the watchman on the wall to pray in the things that needs to be prayed in and I thank you Lord that we can work as a body and I bless the body of the Messiah, that we will work in the Unity as one body with One head that is Yeshua.

I ask that the glory that is inside of us, that it will be sealed right now with the Blood and that You Fire will be around Your glory Lord. I thank you that no agent of the darkness, any demon or principality can come and take this Glory Lord because this is Yours and we give this Glory back to You. We ask because this is Your Glory that you put inside of us, that You will protect it and You will teach us how to protect it. Thank you Lord for the great privilege to war in Your army. Thank You Lord even though so many are in darkness and doing rituals now, that You will have mercy upon them because their sin is not greater than the sin in our lives.

I thank you Yeshua for Your Blood that speaks of better things, it speaks of mercy and it speaks of the life and it speaks of the love. I ask You Lord that Your eye will be upon us tonight and we will have no visitations, no backlash, no torture, but that we will be safe in You, that You will hide us in the cliff of the Rock of I AM and that we will be sheltered under Your wings that we can hide in

Your Shadow and no shadow of death will have legal right in our life .We come and we stand against this shadow of death and we proclaim over this shadow that we are under the Almighty God and in Him we will hide, and there will be no death in us whatsoever. I thank you Lord that you keep us safe. I thank you Lord that we are called the sons of the Most High. And therefore we can war with Your whole army as our backup and therefore we have an inheritance as a son and we can use the authority that we have. Lord I asked that You will teach us how to use this authority in the right way.

Lord I ask that You will pour out Your love upon everybody tonight that is busy with a ritual willingly or un willingly, because the same love You have for us You have for them because Yeshua the Lamb died for everyone. I thank you Lord that You will take us from Glory to Glory, but all the Glory belongs to You.

Father I ask that we can anker this prayer in You Kingdom and we seal this prayer with the Blood of the Lamb. We invoke our covenant right with YHVH now. We invoke covenant for this time that we are in and our whole humanity and everybody we represent in this spirit. We thank you Lord that we can come and ask for this covenant. That this covenant will stand in front of us in the spirit for all to see and to have your Seal upon us.

In the mighty name Yeshua I pray
